Tom Ourada is the visionary founder and lead designer at Ourada Designs Hardwood Art Flooring, a company distinguished for its innovative approach to hardwood flooring. With a deep-rooted passion for both design and craftsmanship, Tom has established himself as a leading expert in the industry.

Tom's journey began with a solid foundation in design and architecture, which he later augmented with specialized training in hardwood flooring techniques. His unique perspective combines a thorough understanding of materials with a flair for artistic design, allowing him to create flooring that is both functional and visually stunning.

Under Tom's leadership, Ourada Designs Hardwood Art Flooring has become renowned for its ability to transform spaces through custom-designed flooring solutions. Tom is known for his meticulous attention to detail and his commitment to using high-quality materials to craft floors that are as durable as they are beautiful.

Tom's design philosophy is rooted in the belief that flooring is not just a

functional element but a central piece of home aesthetics. He works closely with clients to understand their vision and bring it to life with bespoke designs that enhance their living environments. From classic

hardwood patterns to intricate custom inlays, Tom's work reflects his dedication to excellence and innovation.

In addition to his design work, Tom is actively involved in the industry, staying abreast of the latest trends and technologies in hardwood flooring. His expertise and creative approach have earned him a reputation as a leading figure in the field.

With Tom Ourada at the helm, Ourada Designs Hardwood Art Flooring continues to set new standards in the industry, delivering exceptional craftsmanship and artistic flooring solutions that stand the test of time.
